Embargo Policy

All meeting attendees, members of the media, companies, institutions, organizations, universities, investment advisors, and all other individuals are required to abide by the embargo policy governing the 2022 CTOS Annual Meeting.

An embargo means that information from any abstract or presentation is confidential and may not be announced, publicized, or distributed before the embargo date and time. This policy applies to all formats of release, including the Scientific Sessions online itinerary planner, meeting app and any other distribution method.

The purpose of the embargo policy is to protect the scientific integrity of the abstract submissions presented at the CTOS Annual Meeting. All submissions are to be considered preliminary until the time of presentation or authorized for public release.

Oral and Poster Presentations:

Abstracts selected for oral presentation are embargoed from the time of submission until the commencement of the 2022 CTOS Annual Meeting on November 16th at 9am EST. CTOS reserves the right to adjust the embargo as needed.

CTOS will evaluate exception requests on a case-by-case basis and reserves the right to change the type of presentation (from oral presentation to poster presentation) or remove the abstract from the meeting program if it determines that the released information may substantially detract from the novelty of the presentation.
