15:30 - 15:45 Radiotherapy - Who & When ?
R. Haas (The Netherlands Cancer Institute, Amsterdam - Netherlands)

15:45 - 16:00 Coffee Break

Therapeutic Strategy in soft tissue sarcomas

16:00 - 17:00 Decisional tree based on case report

- **Limb Soft Tissue Sarcomas**
A. Gronchi (Istituto Nazionale dei Tumori, Milan)
- **Retroperitoneal Sarcomas**
S. Bonvalot (Institut Curie, Paris)
(Expert Panel: faculty)

17:00 Closing remarks

Day 2 - Wednesday 16th November 2016

Live Surgery/Biopsy Session

9:30 - 12:30 Recurring sarcoma surgery
Surgeon: S. Bonvalot (Institut Curie, Paris)
Comments: A. Gronchi (Istituto nazionale dei Tumori, Milan)

12:30 - 14:00 Lunch

Educational Session

Surgery and Strategy in GISTs, Visceral Sarcoma and desmoids

14:00 - 14:20 Surgery of GIST and neo-adjuvant indications
M. Fiore (Istituto nazionale dei Tumori, Milan)

14:30 - 14:40 GIST: Treatment in adjuvant and advanced situations
C. Benson (Royal Marsden Hospital, London)

14:40 - 15:00 Visceral sarcomas (vascular, uterine)
A. Gronchi (Istituto nazionale dei Tumori, Milan)

15:00 - 15:30 Medical treatments & State of the art targeted therapy in sarcoma
C. Benson (Royal Marsden Hospital, London)
(Expert Panel: the faculty)

15:30 - 16:00 Desmoids
S. Bonvalot (Institut Curie, Paris)

16:00 - 16:30 Coffee Break

Therapeutic Strategy

16:30 - 17:00 Decisional tree based on case reports
M. Fiore (Istituto nazionale dei Tumori, Milan)
(Expert Panel: the faculty)

17:30 Closing remarks
